

MBASC/Financial Link® Deposits, Loans and Mortgage

“The software is easy to use. Financial Link® brings up all the necessary forms to complete the entire process and we have confidence that our institution is going to remain in compliance.”

– Steve Schmidt, President, Port Austin State Bank

**Provided by MBA Service Corporation
(MBASC) Endorsed Partner - FIPCO**

- **Financial Link® Integration**

The Financial Link® suite of products integrate with many systems, including: host/core, OFAC, Chex Systems, check ordering companies, credit reporting agencies, MICR encoded products, online credit application systems, document imaging, HMDA/CRA reporting.

- **Financial Link® Loans**

This sophisticated Windows® loan origination solution generates Michigan specific forms for consumer, commercial, real estate and agricultural transactions in compliance with Michigan law and the Michigan Consumer Mortgage Protection Act.

- **Financial Link® Deposits**

A wide variety of deposit transactions can be documented using the Financial Link® Deposits module.

- **Financial Link® Mortgage**

This Windows® software tool completes the entire mortgage process from application to closing, printing forms for both secondary market and in-house loans.
